Delegation of Authority – Controlled Substances Program

In a letter dated, October 1, 2014, (CHA0063RVCBAS), the Chancellor designated the Vice Chancellor of Business & Administrative Services (VC-BAS) the Responsible Official of the campus Controlled Substance Program. University of California Policy BUS-50: Controlled Substances, (BUS-50) defines the roles and responsibilities for the campus Controlled Substance Program. Accordingly, the Responsible Official is:

- Responsible for establishing and overseeing a campus program that meets federal and state requirements, as defined in BUS-50; and
- Authorized to legally commit on behalf of the campus that the Controlled Substances Program will meet the federal and state requirements;
- Designating a Program Administrator who is charged with:
 - implementing and managing the campus Controlled Substances Program on a day-to-day basis;
 - obtaining and maintaining the appropriate types of DEA Controlled Substances registrations; and
- Designating an individual responsible for:
 - Procuring controlled substances and precursor chemicals for authorized research and teaching activities in compliance with DEA regulations and federal and state requirements, as well as adhering to the campus Controlled Substances Program and applicable UC policies.

Effective as of the date above, I hereby designate the Executive Director of Enterprise Risk Management as the campus Program Administrator and individual responsible for obtaining and maintaining the appropriate types of DEA Controlled Substances registrations. In addition, I hereby designate the Director of Procurement, Business Contracts and Accounts Payable (“Chief Procurement Officer”) as the responsible person for procuring controlled substances and precursor chemicals for authorized research and teaching activities.

This delegation supersedes all previous delegations on the subject and may not be re-delegated.
