EXECUTIVE VICE CHANCELLOR

In a letter dated December 8, 1993, Senior Vice President Massey issued the attached "Implementing Guidelines for Reappointment of Senate Faculty Under the Voluntary Early Retirement Incentive Program (VERIP III)." Subject to the conditions stated therein, Chancellors were delegated the authority to reappoint individuals who have retired under VERIP III, for a limited period of time, to positions which do not require membership in UCRP.

With this letter, I hereby redelegate this authority to you, within your respective area of responsibility. This authority may not be redelegated further. This delegation supersedes all previous delegations on this subject, most recently the September 26, 1991, letter from Chancellor Schraer to Vice Chancellor-- Faculty Relations and Academic Support.

Please note that this authority applies only to those reappointments that are within the guidelines established in the December 8, 1993, letter. Exceptions to these guidelines require my approval.

Sincerely,

Raymond L. Orbach
Chancellor
